

ANNUAL MEETING

ASCCP2016

APRIL 13, 2016 | HILTON NEW ORLEANS RIVERSIDE

PRE-COURSE

What Everyone Ought to Know about Vulvovaginal Disease

ASCCP

The society for lower genital
tract disorders since 1964

www.asccp.org/2016annualmeeting

Meeting Information

Meeting Competencies and Objectives

The Vulvovaginal Disease course is for all clinicians dealing with women's health. Although vaginal and vulvar complaints are common, many clinicians feel underprepared to deal with these issues. This one-day workshop will cover many aspects involving the diagnosis and treatment of these diseases

- Upon completion of this educational activity and its post-test and evaluation tool, the learner should be able to:
- Gain knowledge on vulvovaginal conditions and their management
- Understand the diagnosis and treatment of vulvodynia
- Explore the current thoughts on squamous intraepithelial lesions, including diagnosis and treatment measures
- Gain knowledge on unusual vaginitis conditions

Course Educational Methods

Lectures: Each day, the learners will attend general plenary sessions related to their areas of interest. Each session will conclude with a question and answer period led by the presenter(s) to reinforce core concepts. Throughout the lectures and question and answer periods, faculty members utilize an Audience Response System. The faculty uses these group responses to readdress items not answered correctly by the target goal percentage. This immediate feedback helps course attendees identify their own weaknesses and allows them to follow up with the faculty onsite.

Interactive Case Study Sessions: Several interactive sessions will be used throughout the course to test medical knowledge and practice-based learning skills on various vulvar, vaginal and cervical conditions. Participants, in conjunction with faculty leadership, will review cases, vote on their diagnosis and discuss what management and treatment course they would pursue and why.

Panel Discussions: For selected topics, learners will direct questions to panels of experts on how to integrate reported advances into their practices. Experts will present their varying evidence-based perspectives so that learners can determine what may be best practice in their setting.

The lectures will be available for download until May 16, 2016 at www.asccp.org/2016annualmeeting/VDlectures

Continuing Medical Education

ACCME Accreditation

The American Society for Colposcopy and Cervical Pathology is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The ASCCP Pre-Course: What Everyone Ought to Know about Vulvovaginal Disease was planned and produced in accordance with the ACCME's *Essential Areas and Elements* and *Updated Criteria* (see www.accme.org).

Continuing Medical Education Credits

Attendees will receive a maximum of 6.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Instructions for Obtaining Continuing Medical Education Credit

To complete this program successfully and receive credit and a certificate of attendance, participants must:

- Complete the pre-test found online prior to the meeting;
- Read the program educational objectives and review and utilize the final program;
- Sign in at the ASCCP registration desk and attend the program;
- Complete the post-test and post-conference assessment (15 minute online survey);
- Claim credits via ASCCP webpage

CME Certificates

CME certificates will be available online after completion of the evaluation. During the meeting, if you notice an error on your name badge, registration letter, or any other ASCCP materials, please stop by the registration desk so that we may correct.

Management of Disclosure of Interest and Contributed Fund

As an accredited provider of CME credit, ASCCP is required to comply with the ACCME's *Standards for Commercial Support* and has implemented a management process to ensure that anyone who is in a position to affect the content of the educational activity (e.g., faculty, planners, etc.) has disclosed to us all relevant financial relationships with any commercial interest and has ensured that those relationships do not influence presentation materials. All faculty have agreed to base their presentations on best available evidence. ASCCP discloses to learners any financial relationship(s) to healthcare-related commercial interests existing within the past 12 months to include the following information: 1) the name of the individual; 2) the name of the commercial interest; and, 3) the nature of the relationship the person has with each commercial interest. Program directors review presentation materials for possible bias prior to the program, and potential conflicts of interest are resolved prior to the presentation. Any discussion of off-label use of products is noted when appropriate, as is discussion of any limitations on the information that is presented, such as data that are preliminary or that represent ongoing research, interim analyses, and/or unsupported opinion. Disclosures of these commitments and/or relationships are published in the final program materials and provided from the podium so those participants in the activity may formulate their own judgments regarding the presentation(s). The program directors and co-directors also monitor presentations for bias and intervene as appropriate to provide balance. Under ASCCP policy, anyone declining either to disclose or amend material to eliminate potential bias identified by the program directors are replaced.

The disclosures listed below are all reported disclosures of interest or potential conflicts from the 12 months preceding this activity:

2016 AM COI Disclosures (Faculty, Program Directors, Education Committee Chairs, Staff)

Jeff Andrews, MD (Editor-In-Chief) - No financial relationships or conflict of interest to disclose
Kevin A. Ault, MD (Education Committee Chair) - Hologic (CTS) (PI); Merck & Co, Inc (CTS) (PI); Roche (CTS) (PI)
Lilly Brotons (Staff) - No financial relationships or conflict of interest to disclose
Kerry O. Curtis (Staff) - No financial relationships or conflict of interest to disclose
Lisa M. DeGrave (Staff) - No financial relationships or conflict of interest to disclose
Kathleen P.L. Dwyer (Staff) - No financial relationships or conflict of interest to disclose
Hope K. Haefner, MD (Course Director & Faculty) - Merck (AB)
Robin Heine (Staff) - No financial relationships or conflict of interest to disclose
Beth C. Huff, MSN, FNP (Education Committee Chair) - No financial relationships or conflict of interest to disclose
Sarah Jones (Staff) - No financial relationships or conflict of interest to disclose
Chanise Queen (Staff) - No financial relationships or conflict of interest to disclose
Cynthia A. Rasmussen, MD (Course Director & Faculty) - Pfizer Corp. (SH)
Kimberly Sabatano (Staff) - No financial relationships or conflict of interest to disclose
Colleen K. Stockdale, MD, MS (Program Director) - No financial relationships or conflict of interest to disclose
Aruna Venkatesan, MD (Faculty) - No financial relationships or conflict of interest to disclose
Alisha Yocum (Staff) - No financial relationships or conflict of interest to disclose

What Everyone Ought to Know about Vulvovaginal Disease

Program

Wednesday, April 13, 2016

All sessions will take place in Grand Salon A unless otherwise noted.

7:00 AM - 8:00 AM

Registration

Foyer Grand Salon

Breakfast

Grand Ballroom A

8:00 AM - 8:15 AM

Welcome

Speakers: Hope K. Haefner, MD
Cynthia A. Rasmussen, MD

8:15 AM - 8:45 AM

Overview of Vulvar Dermatology

Speaker: Aruna Venkatesan, MD

8:45 AM - 9:15 AM

Recurrent Vaginal Candidiasis, Bacterial Vaginosis, and Trichomonas

Speaker: Cynthia A. Rasmussen, MD

9:15 AM - 9:35 AM

Desquamative Inflammatory Vaginitis

Speaker: Hope K. Haefner, MD

9:35 AM - 10:00 AM

Questions and Faculty Responses

10:00 AM - 10:30 AM

Break

Grand Ballroom A

10:30 AM - 11:00 AM

Ulcers :STDs, Immunoblistering diseases & aphthous ulcers.

Speaker: Aruna Venkatesan, MD

11:00 AM - 11:30 AM

The Lichens: Sclerous, Simplex Chronicus, and Planus

Speaker: Cynthia A. Rasmussen, MD

11:30 AM - 11:50 AM

Vaginal Dilation

Speaker: Hope K. Haefner, MD

11:50 AM - 12:15 PM

Questions and Faculty Responses

12:15 PM - 1:15 PM

Lunch

Grand Ballroom A

1:15 PM - 1:45 PM

Puzzling Cases

Speakers: Hope K. Haefner, MD
Cynthia A. Rasmussen, MD
Aruna Venkatesan, MD

1:45 PM - 2:15 PM

Genitourinary Syndrome of Menopause

1:45 PM - 2:00 PM

Atrophy

Speaker: Cynthia A. Rasmussen, MD

2:00 PM - 2:15 PM

Fissures

Speaker: Aruna Venkatesan, MD

2:15 PM - 2:45 PM

Hidradenitis Suppurativa and Crohn's Disease of the Vulva

Speaker: Hope K. Haefner, MD

2:45 PM - 3:15 PM

Questions and Faculty Responses

3:15 PM - 3:45 PM

Break

Grand Ballroom A

3:45 PM - 4:15 PM

Puzzling Cases

Speakers: Hope K. Haefner, MD
Cynthia A. Rasmussen, MD
Aruna Venkatesan, MD

4:15 PM - 4:30 PM

Questions and Faculty Responses

4:30 PM

Adjourn

Hotel Floor Plan

First Level

ASCCP Courses

Comprehensive Colposcopy

Beginning/intermediate colposcopist or those in need of updates—Gain additional knowledge on Cervical Cancer Screening & Management Guidelines, new concepts about HPV screening and triage, treatment methods, and HPV epidemiology.

July 27-30, 2016
Providence, RI

October 26-29, 2016
Phoenix, Arizona

High Resolution Anoscopy

This course is for those participating in the health care of patients who have increased risk for anal cancer including MSM, men and women with HIV disease, and women with HPV-associated lower genital tract disease.

July 28-30, 2016
Providence, RI
