Clinician Public Comments

Question 1: Were any published articles omitted from consideration (please refer to Work Group scope/key questions and inclusion/exclusion criteria links above)? How would these articles impact the Work Group's conclusions?

No responses received

Question 2: Do you think there are any significant misrepresentations or biases in the draft recommendations?

No responses received

Question 3: Do you have any disagreements with the main conclusions and/or evaluations of the literature?

No responses received

Question 4: What topics/gaps for future research/guidelines should be priorities?

No responses received

Question 5: Other comments (including, if applicable, support for the recommendations):

No responses received

Pathologist Public Comments
