

The 5th Conference of Chinese Society for Colposcopy and Cervical Pathology was successfully held in Shenzhen, China

The 5th Conference of Chinese Society for Colposcopy and Cervical Pathology was successfully held in Shenzhen, China from May 9th to 12th, 2019. More than 2000 gynecologists, pathologists and other medical care personnel attended the conference. The 262 academic tasks were completed successfully. The four concurrent sessions were broadcasted simultaneously with 170,000 persons/times daily.

The theme of the 2019 Annual Meeting is **”Promoting the Precision Management of Cervical Cancer Prevention and Treatment”**. The main topic of the conference focused on cervical cancer prevention and control, HPV vaccine, colposcopy, HPV-related diseases, cytology and pathology, scientific research, new directions of cervical cancer screening, HPV Infection and vaginal microenvironment, individualized management of CIN and cervical cancer, et al. A new topic of innovation was added this year, The Clinical Cases Discussion: From Cytopathology to Colposcopy. Youth were given the opportunity to participate in three compelling academic debates in the CSCCP Y-M Forum as well as oral and poster presentation shows. It is also encouraging that the “Kaijai Cup” awards young excellent papers and videos of treatment given to reward-gainers of the excellent presenters.

Again, the CSCCP-ASCCP advanced colposcopy pre-course was held on May 9th, 2019. The speakers included Dr. Mark H. Einstein, ASCCP President Elect, Dr. Anna-Barbara Moscicki, Past President of ASCCP, and Dr. Chengquan Zhao, ASCCP International Education, China Chair. CSCCP experts, Drs. Long Sui, Yun Zhao, Hui Bi, and Chao Zhao presented interesting cases. More than 700

gynecologists, colposcopists and pathologists attended the course. Professor Li-hui Wei, President of the CSCCP announced that the 5th Conference of Chinese Society for Colposcopy and Cervical Pathology will still be held in Tianjin in May 22th-24th, 2020. The CSCCP-ASCCP advanced colposcopy training course will continue to be held in China, October 26th -28th in Beijing and Oct. 31th –Nov 2nd in Jinan in 2019. In 2020, the CSCCP-ASCCP advanced colposcopy training course will be held in Sichuan and Tianjin. The CSCCP and ASCCP will continue to move forward and create a better future.
