# Exhibitors Rules & Regulations

## Purpose

ASCCP is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

To complement the ASCCP Scientific Meeting, exhibits of the latest developments in equipment, supplies and services available in the marketplace add value to the professionals' learning experiences. Therefore, companies providing relevant goods and services can rent booth space to showcase their products and services.

ASCCP strictly adheres to the ACCME's Standards for Commercial Support regarding exhibits, which state: The distribution or granting of CME credits, in any category, from an exhibit booth is strictly prohibited.

## Exhibits

When commercial exhibits are part of the overall program, arrangements for these shall not influence planning or interfere with the presentation of CME activities. Exhibit placement shall not be a condition of commercial support for a CME activity.

## Commercial Activities During Education Activities

In accordance with ACCME guidelines product information cannot be distributed in any other location besides the exhibitor's booth area inside the exhibit hall. Such materials are not permitted in the registration area, poster session area or in or near education rooms.

## Commercial Supporters at Educational Activities

Representatives of commercial interests may attend an educational activity, but may not engage in sales or promotional activities while in the space or place of the CME activity. Any representative of a commercial supporter wishing to attend the educational activity may do so at the non-medical/industry consultant rate, but is strictly prohibited from the sale of and/or discussion of products while attending the educational activity.

## 2009 PhRMA Code

By applying for exhibit space, the commercial interest agrees to adhere to the 2009 PhRMA Code on Interactions with Healthcare Professionals. The exhibitor agrees that interactions between company representatives and health care providers should be focused on providing information on products and scientific and educational information. The code prohibits distribution of noneducational items such as pens, mugs and other logo-branded items, as well as items for personal benefit (e.g., tickets to recreational or entertainment events).

## U.S. Food and Drug Administration (FDA)

ASCCP requires that all exhibitors must be in compliance with FDA regulations regarding all products or devices regulated by the FDA. Any mention of product names that are accompanied by information on usage and indications is considered advertising and subject to applicable FDA guidelines.

## Photography

Picture taking, other than by the official photographer is prohibited, with the exception of an exhibitor taking pictures of his/her own display.

## Distribution of Printed Materials

Distribution of printed materials by an exhibitor is limited to their booth space.

## Demonstrations

All demonstrations, displays, and audio equipment must be confined to the booth and regulated so as to not disturb neighboring exhibits.

ASCCP shall have the right to exclude or to require modification to any display or demonstration that, in its sole discretion, is considered unsuitable to, or not in keeping with, the character of the exhibition.

## Ancillary Meetings

The Society welcomes groups of members, organized along scientific or geographic boundaries, to hold an ancillary meeting during the ASCCP 2022. The primary purpose of an ancillary meeting is to provide a social or networking opportunity but not a scientific meeting or session. Please note that ancillary meetings may not be scheduled in conflict with scientific sessions at the ASCCP 2022.

## Dismantling of Exhibits

Exhibits may be dismantled on Saturday after the last event in the exhibit hall.

## Codes & Regulations

By applying for exhibit space, an exhibitor agrees to adhere to and be bound by ASCCP's Exhibitor Rules and Regulations. Exhibitors shall not permit others to do anything to the booth or do anything in the facility that will in any way increase the insurance premiums payable by ASCCP or the owners or managers of the facility. Exhibitor shall not sublet the booth or any equipment provided by ASCCP, nor shall the exhibitor assign its lease in whole or in part to any party without prior written notice to and approval from ASCCP. The exhibitor further agrees to adhere to and be bound by:

1. All applicable fire, utility, and building codes and regulations;
2. Any and all rules and regulations of the facility where the program is held;
3. Applicable terms of all leases and agreements between ASCCP and the managers or owners of the facility; and,
4. The terms of any and all leases and agreements between ASCCP and any other party relating to the exhibit.

## Violation of Rules & Regulations

Violation of any of ASCCP's regulations or FDA regulations may lead to immediate closure of the exhibitor's booth, banning of an exhibitor representative, or barring of an exhibitor's representative at future meetings. No monetary adjustments will be made for exhibit shutdowns.
